

ANNUAL OPERATION SHORE PATROL—BEACH CLEAN UP SEPTEMBER 21 AND 22, 2019

Since 1971, the Pacific NW 4 Wheel Drive Association has been gathering on the 3rd weekend of September to clean up Washington State beaches. Region 1 meets in Ocean Shores, WA, where volunteers usually camp together and begin combing the beaches to pick up trash and other left behind items on Saturday morning.

Mid-day Saturday, there will be a lunch sponsored by PNW4WDA's Region 1, more beach clean-up and then a line up on the beach for pictures. The Timber Tamers will sponsor a dinner, followed by a raffle and bonfire!

This year we will all be again staying at the Tidelands Campground. Call Dave 360-289-8963 to reserve your camp spot for RV or tent. **BE SURE TO TELL HIM YOU ARE RESERVING FOR OPERATION SHORE PATROL!**

We are making every effort to bring this event back to it's former glory, of over 250 vehicles cleaning up the WA Beaches. Last year we had over 100 people volunteers to clean up.
